FREQUENTLY ASKED QUESTIONS

1. **Who would be listed as the “named insured”?** The named insured should be the organization or the individual who is the organizer of the event. This would be the legal name of the organization or if no legal entity exists, the name under which the organization operates (such as the name listed on marketing material or contracts).
2. **I have been asked by the facility that I am using for the event to add them as an additional insured to my policy. What does this mean and how do I do that?** An additional insured is an entity that has an insurable interest for claims arising out of your negligence as the named insured. Such possible entities are a landlord or sponsor. By providing an entity additional insured status they now are entitled to defense and indemnity (*if policy limits have not been exhausted*) under your policy with no responsibility for premium payments. You can add an entity as additional insured under the certificate request section of the enrollment form. You must provide their complete name, address and relationship to you.
3. **Will we receive a policy after submitting the enrollment form?** You will receive a certificate of insurance as proof of coverage. Coverage is offered exclusively through the Sports, Leisure and Entertainment Risk Purchasing Group (RPG). The RPG receives a master policy from the company. Submission of this enrollment form confirms your desire to receive coverage through the RPG. Each member receives their own certificate of insurance as their evidence of coverage. The limits of insurance apply individually to each insured member organization – there are no shared limits of liability with any other members. A copy of the RPG master policy can be requested by writing to Sadler & Company, Inc., PO Box 5866, Columbia SC 29250-5866.
4. **Am I able to buy this coverage if I am having an event at my own location/home?** Yes, as long as you meet eligibility requirements you may purchase coverage under this program. Please note that the purchasing of this policy may not eliminate any claims being presented/paid under any other policies. This policy could share losses with other applicable policies.
5. **What is a Risk Purchasing Group (RPG)?** A Risk Purchasing Group (RPG) provides group purchasing power for similar risks resulting in potential advantageous coverage terms, competitive rates, risk management bulletins, and rewards for favorable group loss experience. An RPG administration fee may be charged for each application. A \$15 RPG fee is required by the insurance carrier for this application.
